Congregation Beth El Of The Sudbury River Valley Presents a Three Part Interfaith Adult Education Series About The Sabbath

We wish to learn from our neighbors about our similarities and differences. We welcome three religious scholars and spiritual leaders from our community on three separate Thursday evenings from 7 to 8:30 p.m. to teach about their Sabbath traditions.

Each evening we will explore the following questions:

1. What are the textual and historical origins of the Sabbath in each tradition?
2. How is the Sabbath observed in each tradition?
3. What is the meaning of Sabbath observance in each tradition?
4. What are the challenges of observance in each tradition for families?
5. How can families observe the Sabbath more regularly and with more meaning?

All are invited.

You need not be a member of Beth El.

We welcome friends from all traditions.

This is truly an interfaith series.

Come once, come twice, come to all three.

Each evening will stand on its own.
