## *Tzedek Tzedek Tirdof* Justice, justice shall you pursue January 15, 2010

Rachael Bregman served as Youth Educator at Congregation Beth El from 2000 to 2004. Since then, she has been a Navy chaplain in Japan, a student rabbi at the Hebrew Association for the Deaf, coordinator for HUC's Soup Kitchen, an AJWS Kol Tzedek Fellow and member of Rabbis Without Borders. She is currently a 5<sup>th</sup> year rabbinic student at Hebrew Union College.

It is a pleasure to welcome Rachael back to Beth El for a Shabbat program honoring Dr. Martin Luther King and his legacy. Rachael will speak on her experiences in Rwanda and Uganda; how her Jewish heritage inspired her to pursue justice in Africa.

Information and donation materials for the AJWS program, Fighting Hunger from the Ground Up, will be available. No donations will be collected on Shabbat.
