

INTRODUCING THE 2018 FRIDAY NIGHT SUMMER SPEAKER SERIES

"TRANSITIONS AND BEGINNINGS"

We welcome you to Beth El's 2018 Summer Speakers Series as part of our Shabbat evening services in July and August!

Our theme this year is **Transitions and Beginnings**. We have asked nine members of our community to teach us about lessons learned from personal transitions in their lives.

A transition, by definition, means you start in one place and finish in another.

Whether within work, family, relationships, or spiritual journeys, transitions are a part of the flow of our lives. As our community is moving through changes and new growth, it feels an important time to ask our fellow members to guide us into the process of personal transition, with all its complexity, and to offer us teachings that can help us move ever forward and upward.
