Pre-Purim Online Scotch Tasting

~ Get Ready for Purim with a Beth El Scotch Tasting! ~

What:
An online scotch whisky tasting and Beth El fundraiser.

Who:
The tasting will be facilitated by Raj Sabharwal, a certified Whisky Ambassador and Spirits Educator, with an introductory teaching on Judaism and alcohol by Rabbi Josh Breindel.

How:
You don’t need to be a scotch aficionado to enjoy the evening: we’ll taste seven (7) single malts with a range of flavor profiles - accessible to everyone, with the opportunity for even experienced scotch drinkers to taste some that they may not have tried before.

The Details:
$60 per tasting kit, payable at registration by February 4. Everyone who registers will receive a tasting kit, available for pickup at Beth El the week before. Although the tasting will include a peated whisky, most of the whiskies will be unpeated. You’ll be able to order bottles afterward.

Does each person need to buy their own tasting kit? That depends on how much whiskey you want to drink. The tasting kits will contain enough for 2 people if you’re willing to take small sips. You must be 21 years of age by the date of the tasting to participate.

This program is presented by the Beth El Adult Ed Committee.
